Hello Christy.

I'm going to email you some FedEx return shipping labels for the coolers, but I need to know whether or not all the coolers are identical and the weight of one of them.

Thanks...

Karen

Any chance you can send us electronic airbills? We don't have any blank airbills.

We have the 14 coolers used to deliver the samples from Craft Turney to the EPA Region 6 Lab. We need either someone to pick the coolers back up from the lab or shipping documents so we can ship them to back to you.

Thank you.
